Employment History:

2010 – Present	Belgray, Inc
1999 – 2010	Mainline Road and Bridge Construction, Inc.
1996 - 1999	State of Ohio Parks Service
1991 – 1999	Lipps Brothers Home Improvement

Experience:

** 2009

ODOT 440(09)

Jackson/Lawrence County Pipe Liner

This project involved cleaning 679 lf of storm pipe and installing an HDPE Liner in the pipe due to the pipe's deterioration of the existing pipes under the existing highways.

** 2009

University of Miami, Ohio

East Quad Roads and Walk Upgrade

This project involved removing and replacing several roads on the campus of Miami University for \$1.56 million. This project also consisted of storm pipe (2000 lf), waterline (1000 lf), curb (10,000 lf) and sidewalk (30,000 sf). This project was also on a very tight schedule due to the college requesting the project be complete by the start of school. We completed this project ahead of schedule.

** 2008/9

Cargill, Inc

Various Projects

This was a combination of several projects for Cargill which included pouring 250 cy concrete footer, building foundations, concrete pavement repairs, asphalt pavement repairs, repairing gravel parking lots and roadways, and general site maintenance for the plant.

** 1996-1999

State of Ohio Parks Service

While working for the Parks Service, I was responsible for maintaining trails (clearing, fixing holes, grading, storm drainage work, mowing) and the roadways (grading, clearing, drainage)
